

RodSmith Guide/Tip Top/Handle Kits

PACIFIC BAY GUIDE KITS

- Guide Kits available with Hialoy ceramic rings and One Piece Stamped Frames models T, TV, & S or Snake Guides model SN.

- Model T guides for spinning rods, casting rods and fly rod stripper guides with stainless steel frames for superior strength.
- Model TV guides for medium to medium heavy spinning rods or casting rods where a higher frame is desired.
- Model S for medium to heavy casting or spinning rods and for fly rod strippers. Higher frame reduces line snap.
- Model SN snake guides for fly rods have lite wire stainless steel construction with industrial hard chrome plating.
