Agate and Agatine Stripping Guides

Handcrafted stripping guides with genuine agate, or manmade agatine, rings set in nickel silver bands and hand-soldered to quality frames. 8mm, 9 mm, 10 mm, and 11mm sizes in bright nickel silver and black finish

High Carbon Steel Snake Guides

Snake Brand high carbon steel snake guides are handmade from high quality high carbon steel wire. All handcrafted to sit straight and true. All feet consistent length with hand ground ends and radiused tops. Available in bright chrome, black or bronze finish.
