

# TRONDAK U-40

“Superior Quality Finishing & Building Products”

**Rod Bond** A two-part, tough, durable yet flexible epoxy adhesive, made specifically for fishing rods and the unique applications that rod building requires.

<b>U40-9</b>	<b>4 OZ</b>	<b>\$13.15</b>
<b>U40-98</b>	<b>8 OZ</b>	<b>\$20.25</b>
<b>U40-932</b>	<b>32 OZ</b>	<b>\$52.35</b>

## Rod Bond Quik-Bond

The same properties as regular Rod Bond but a 10 minute working time and fast bond - ready to fish in about 1 hour.

<b>U40-7</b>	<b>4 OZ</b>	<b>\$13.15</b>
<b>U40-78</b>	<b>8 OZ</b>	<b>\$20.25</b>
<b>U40-732</b>	<b>32 OZ</b>	<b>\$52.35</b>

## Color Lock **\$5.20** U40-2 (1 oz.)

A water base compound which locks in the original color of the thread, it will even maintain the original luster of gold thread.

## LS Supreme

LS Supreme is a medium viscosity system, completely self leveling on the most complex of wraps. It is totally bubble free without the use of heat. It is resistant to Ultra Violet deterioration, and is non-yellowing in the most severe sunlight conditions.

<b>U40-202</b>	<b>2 OZ</b>	<b>\$14.50</b>
<b>U40-208</b>	<b>8 OZ</b>	<b>\$27.50</b>
<b>U40-232</b>	<b>32 OZ</b>	<b>\$70.50</b>

## LS Supreme HIGH BUILD

LS Supreme is a medium viscosity system, completely self leveling on the most complex of wraps. It is totally bubble free without the use of heat. It is resistant to Ultra Violet deterioration, and is non-yellowing in the most severe sunlight conditions.

<b>U40-502</b>	<b>2 OZ</b>	<b>\$14.50</b>
<b>U40-508</b>	<b>8 OZ</b>	<b>\$27.50</b>

## ONE ROD KIT

### U40-K291

Kit contains all you need to complete one rod  
1/2 oz Rod Bond (1/4 oz of each component)  
1/2 oz LS Supreme (1/4 oz of each component)  
Pair of 3 cc syringes

**\$12.75**

## Perma Gloss **\$9.50** U40-1 (1 oz.)

The ultimate one-part urethane rod finish. For those requiring a water clear, non-yellowing finish that will outlast the rod itself in durability.

## Cork Seal **\$7.25** U40-3 (2 oz)

Cork Seal is designed to seal the surface of cork rod handles.

It prevents the penetration of soils and other foreign matter transferred to the grip area from the fisherman's hands.

## Brush Cleaner **\$5.95** U40-6 (4 oz.)

Designed for cleaning brushes used in the application of U-40 rod finishes.

Equally effective on all polymers; urethanes or epoxies, before they are cured. It will not effect cured polymers.

## SYRINGES (PAIR) – U40-8 **\$3.75**
